A Huge Thank You to the Outgoing PSA!

We are grateful for the time and leadership of Joint-Chairs Ali Mears, Beth Wijayarathna and Nadine Monem, and Co-Secretary Simon and Chloe Roberts, Treasurer Damali Raymond and Communications Officer Dorian Fray over the past two years. These seven members brought a key set of skills that have improved the structure of the PSA and the events held. Their team has done an outstanding job not only planning the usual Summer/Winter fairs, they have also introduced new events like the Plant Sale, World We Want Fete, Barn Dance, Book Swap and Film Nights. We are happy to announce that Dorian, Damali and Chloe have bravely decided to remain active in their roles. We appreciate everyone's knowledge and support. The new Grazebrook PSA committee is:

Left to right: Dorian Fray (Co-Chair)
Catherine Hyotte (Co-Chair) Chloe
Roberts (Secretary) Damali Raymond
(Treasurer) and Oliver Marlow
(Communications Officer)

Did you know?

The PSA raised £13,029.12 in the last full academic year, Sept 2018 – July 2019. We spent funds on the following:

- Pantomime tickets
- Anti-Bullying week
- World We Want School Curriculum
- Mindfulness Training for interested staff
- Ping Pong table in KS2 playground
- Donation to the Holiday Staff Party on Dec 2019

This is all possible because of the vital funds raised by events such as the Barn Dance, Film Nights, Winter/Summer Fairs and more. Sadly, due to Covid19, some of these events may not take place this year. However, do not fear, we hope to have as many covid-friendly, community building events as possible this academic year!
